

**Exchange Agreement
Between
Asia Pacific Center for Theoretical Physics**

And

Yukawa Institute for Theoretical Physics, Kyoto University

In order to foster academic and scientific exchange between the Asia Pacific Center for Theoretical Physics and the Yukawa Institute for Theoretical Physics, Kyoto University, the two institutes have agreed upon the following programs based upon principles of mutual equality and reciprocity of benefits.

1. The two institutions will pursue joint activities for cooperation in scientific research in the form of joint workshops, conferences and schools. The details of specific projects will be determined by mutual agreement of both institutions.

2. The two institutions agree to promote the exchange of scientists including students and young postdoctoral fellows. To this end when either of the two institutions invites members of the other institution to participate in scientific activities which they are hosting, then the host institution agrees to provide assistance in the renting of appropriate housing, the completion of immigration formalities and in supplying work space, library and computer facilities in accordance with local standards.

3. Each institution will designate a liaison officer to administer this Agreement and to coordinate cooperative activities between the two institutions.

4. This Agreement may be modified by mutual consent. The Agreement will be in effect from the date of signature for a period of five years. It will be automatically extended for an additional period of five years at each expiration date, unless either party gives six month's advance notice in writing to terminate the agreement.
