## 51<sup>st</sup> Vietnam Conference on Theoretical Physics

*The Vietnam Conference on Theoretical Physics (VCTP), formerly known as National Conference on Theoretical Physics, is an annual activity of the Institute of Physics (Vietnam Academy of Science and Technology) under the auspices of the Vietnam Theoretical Physics Society since 1976. The VCTP is aimed to be an international conference for physicists in Vietnam, in the region and worldwide. Its mission is to foster scientific exchanges and to promote a high-standard level of research and education in Vietnam and in South East Asia.*

*VCTP-51 is sponsored by the International Centre of Physics (ICP) at the Institute of Physics (Vietnam Academy of Science and Technology), and the Asia Pacific Center for Theoretical Physics (APCTP) (Pohang, Korea).*

#### TOPICS INCLUDE:

- Particle, nuclear, and astrophysics
- Molecular physics, quantum optics and quantum information
- Condensed matter physics
- Soft matter, biological and interdisciplinary physics.

Registration deadline: June 15, 2026
