

Memorandum of Understanding

Between

School of Quantum, University of Chinese Academy of Sciences (SOQ-UCAS)

80 Zhongguancun East Road, Haidian, Beijing 100190, China

and

Asia Pacific Center for Theoretical Physics (APCTP)

77 Cheongam-ro, Nam-gu, Pohang, Gyeongbuk 37673, Korea

In order to foster scientific exchange and to promote cooperation in physics, the School of Quantum, University of Chinese Academy of Sciences (SOQ-UCAS) and the Asia Pacific Center for Theoretical Physics (APCTP), hereinafter referred to as "the Parties", jointly decide upon the following program, based on mutual equality and reciprocity of benefits:

Paragraph I

The Parties will seek opportunities to cooperate in scientific research. The research projects will be defined by each separate written arrangement of both Parties. The form of cooperation will vary and will be adjusted according to the goals and needs of the joint projects.

Paragraph II

The Parties agree to promote the exchange of scientists. To this end, when either of the Parties invites members of the other Party to participate in scientific exchange and joint research activities, the host institution will normally cover the living expenses of the visiting scientists including accommodation, in a form to be defined in each instance, according to the rules and guidelines of the host institution.

Paragraph III

The Memorandum of Understanding (MOU) may be amended by mutual consent. This MOU will enter into effect upon the date of the last signature by the representatives of the Parties for an initial period of three years. It may be extended for an additional period of three (3) years or terminated by mutual consent of the Parties six (6) months prior to the natural termination of the current MOU.

Paragraph IV

Each Party shall designate a person or office to serve as a liaison for implementing this MOU.

Paragraph V

This MOU is to be executed in duplicate copies in English with each of the copies being equally authentic.
